

Meet the Bins!

Find out more about what waste should be placed in each of your classroom bins.

Rex the Recycling Bin

Hello, I'm Rex!
Feed recycling bins
paper, cans, plastic
bottles, cardboard,
and tins.

What **CAN** go in Rex?

Compo the Compost Bin

Hi, I'm Compo!
Feed compost bins
grass and left over food
waste e.g. fruit and veg.

What **CAN** go in Compo?

Wendy the Waste Bin

Hey, I'm Wendy!
Feed waste bins waste
that cannot go in a
compost, recycling
or glass bin.

What **CAN** go in Wendy?

Glass

Please rinse and place glass in the blue bin with a white lid or in the correct colour bin at a local bottle bank. Place lids/tops in the Mixed Recyclables bin.

Batteries

Batteries can be disposed of at battery recycling bins at your local supermarket or your nearest civic amenity, recycling centre or WEEE Ireland collection point.

Electrical

Electrical items can be disposed of at your nearest WEEE collection point or at your local civic amenity or recycling centre.
